

CAMI Reader 2009 – Creating your own Spelling List

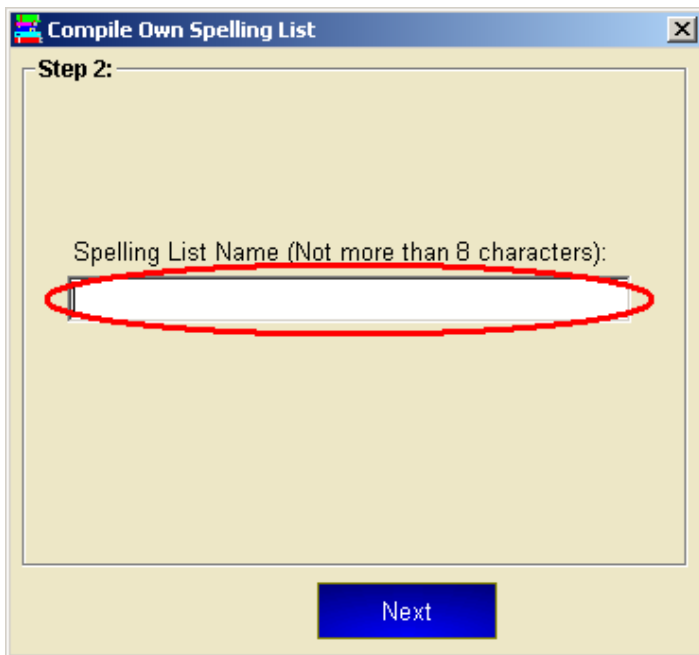

1. From the main menu click on **Editors → Spelling → New Spelling List**.

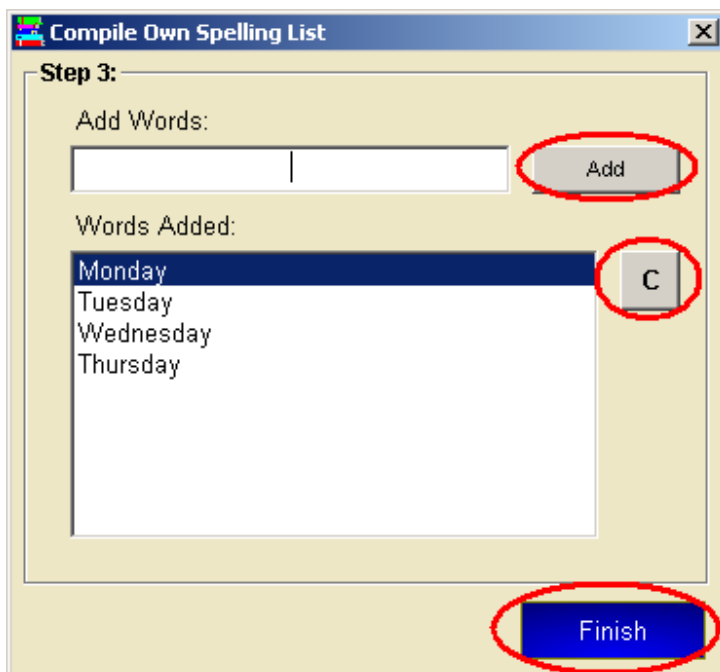

2. Select **I want to create a new Spelling List**.

3. Give the Spelling List a name.

4. Type the words that you want to add to the spelling list in the **Add Words:** field and click on **Add**. You will see the words you have added in the **Words Added:** field. If you need to delete any of these click on the word and then click on the **C** button.

5. This spelling List can then be accessed by going into

4. Spelling

→ 9. Own Spelling Lists

and then choose the appropriate spelling list.
