1. Open up the email from CAMI Support and click on the .pla attachment.

2. Select 'Open with' and make sure **CAMiKey.Document** is the program it will open it with and then click 'OK'.

3. CAMiKey will inform you that you license details have been imported and ask if you want to activate the product. Click on 'Yes'.

4. When the license has been successfully activated CAMiKey will inform you with the following dialogue box.
